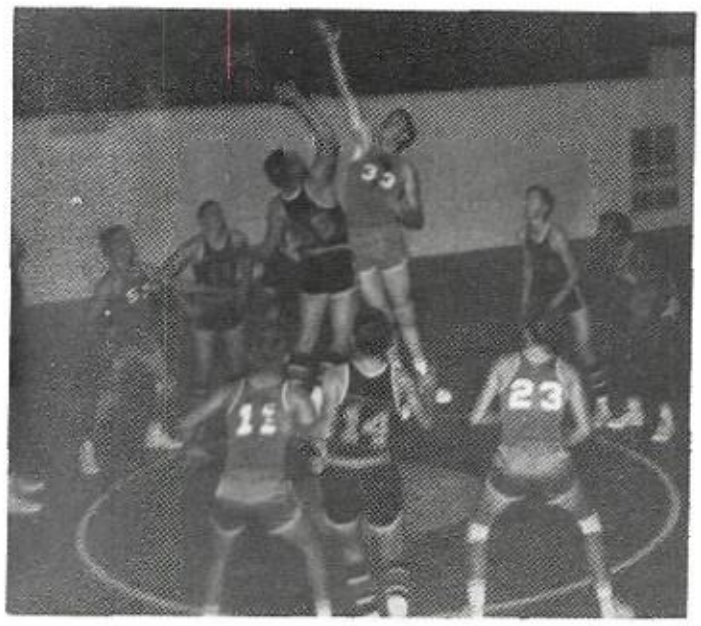
THE 1967 EAGLE

We, the Staff of the Bruceville-Eddy Annual, have tried to depict in the following pages the many wonderful things that have happened during the 1966-67 school year, and we hope that the following glimpses of student life will bring as much pleasure to those who read this annual as they did to the members of the Senior Class who had a share in its preparation and production.



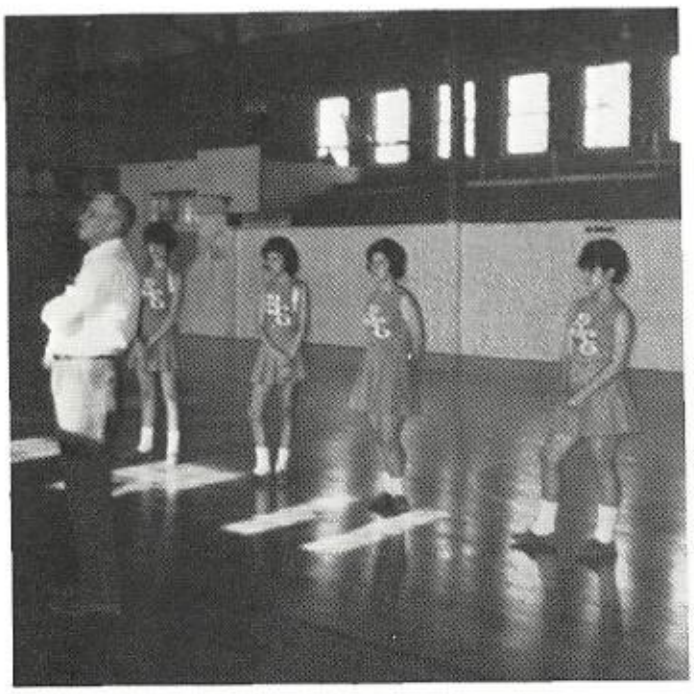
Because he is our friend...encouraging, advising, and contributing his warm understanding whenever we need him...

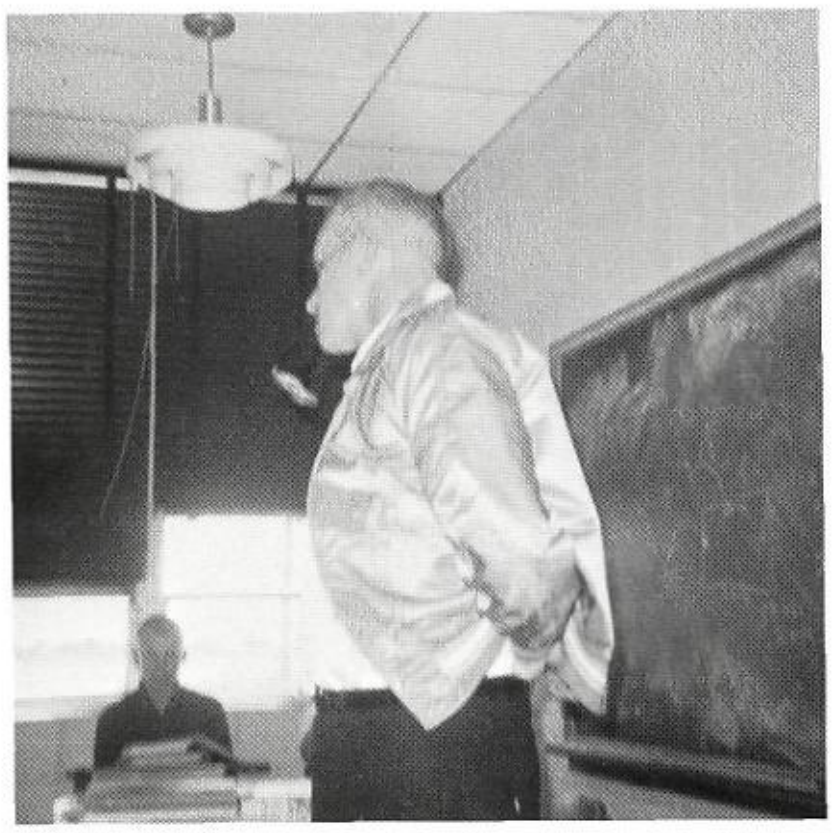
Because he has guided us enthusiastically and often lent us the strength for success...

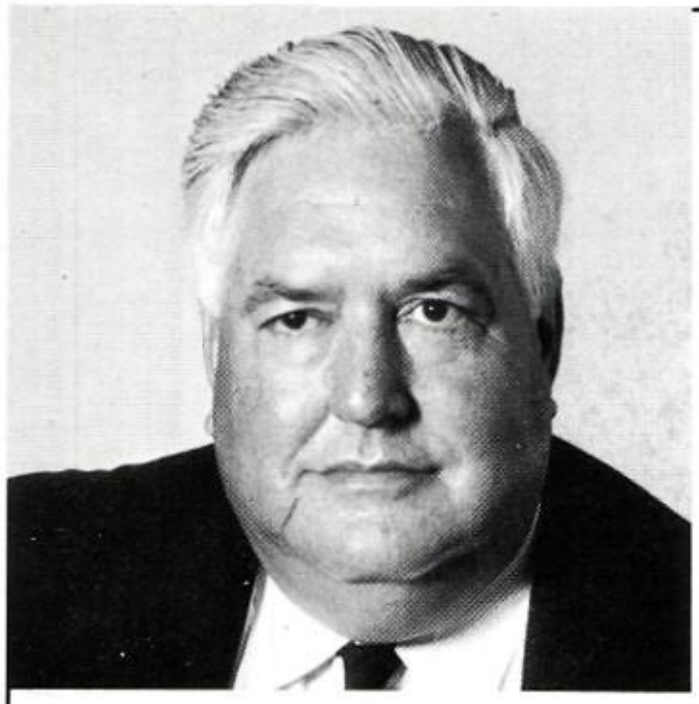
Because he is a teacher who arouses in his students a new faith in their ability, who instills a love of truth and honor, and who, by the sincere dedication of his abilities, has inspired those about him...

We are exceedingly proud to dedicate this yearbook to...

Coach Clayton Oliver







E. V. SHELTON
Superintendent

As I have said many times in the past, the years which I have spent in the teaching profession at Bruceville-Eddy have been the most rewarding of all the years that I have devoted to the field of education. This has been made possible by the patrons, the School Board, the teachers, and the students with whom I have worked, and I shall always be grateful for the years of happiness which your kindness, generosity, and understanding have given to me.

To the many students, both past and present, with whom I have been associated, I want to say that the opportunity to work with you has been a privilege which I shall always cherish, and my life will always be a bit richer and fuller because I have worked with you.

Sincerely,

E. V. Shelton

The Athletic Association has done an outstanding job in working to provide the needs in athletics and physical education. Since physical fitness and alertness are a very important part in each child's life, this work of the people is very important and is greatly appreciated by the students and myself, as Coach.

We are all grateful to the annual staff for recognizing the athletic program and the people who made it possible.

Best of luck to the seniors who made this annual possible.
